Regrade Requests:

2.d(i). I have given the same explanation in different wordings

5(c). Grading scheme:  $P_{tarr}$  correct, then each object carries 1.25 marks

As mentioned above, I have correct  $P_{tarr}$  and I have mentioned all 4 questions in graph.

5(d). I have marked dead-weight loss correctly as per answer key. I have written in wordings that quantity reduces and price increases which makes the market less efficient (answer key in different wordings)
